Pursuant to Federal Rule of Appellate Procedure 27 and Federal Circuit Rule 27, Plaintiff-Appellee Soverain Software LLC respectfully seeks leave to file a Corrected Supplemental Brief Pursuant To The Court's June 13, 2013 Order. The corrected brief is attached to this motion. The grounds for this request are as follows:

On June 13, 2013, this Court ordered the submission of supplemental briefs and instructed the parties to "attach copies of any materials relied upon in their briefs that are not in the existing appendices." Soverain filed its supplemental brief on June 24, 2013 and attached an addendum. In preparing the addendum, Soverain inadvertently omitted two transcript pages that were cited in its supplemental brief but not contained in the appendices. Soverain seeks leave to file a corrected supplemental brief that would add those two pages to the addendum to comply with this Court's order and aid the Court in its decision making.

On June 28, 2013, counsel for Soverain corresponded with counsel for Newegg who stated that Newegg does not oppose the motion.

Soverain respectfully requests that this Court grants its motion to file a corrected supplemental brief containing a corrected and complete addendum.

Respectfully submitted,

/s/ Seth P. Waxman
